## TO ORDER: Please fax us the design of your patio doors using our standard order sheet overleaf.

Prices do not include glazing, VAT or delivery. Copies of our conditions of sale are available on request.

1. Room divider - not weathered. 9mm in height.
2. Glazing detail - 28mm 'knock-in' bead, black gasket.
3. Outer frame - mechanical joint available, welded as standard.
4. Drainage - when not using cill we recommend a 25mm base packer to allow drainage.
5. Night vents have 2 x 4000mm<sup>3</sup> ventilators as standard.
6. The standard midrail infill panel depth is 156mm.

\* Due to finish, these products are susceptible to scuff damage, which is the responsibility of the customer

† Does not match finish on handle
